We have now finished our four years of high school work, and in order that the memory of our happy high school days may not grow dim we have compiled this Annual. It has been the task of the "Blue and White" staff, with the assistance of its class advisors, Mrs. Posey and Mr. Spencer, to place within these pages, those things in which we have taken part and in which we are most interested.

Thus the members of the Senior Class of 1952 extend our sincere thanks to all members of the Administration, faculty, and office personnel, for their patience, kindness, and guidance in our journey through school. We trust that you will never have reason to be disappointed in the course we follow nor the results we gain.

RAYMOND N. BAKER
SUPERINTENDENT

We have reached the end of the first year in our New Avondale High School. Everyone associated with Avondale feel a sense of pride in the achievement of our community. Our new High School is only the beginning of a progressive school system, so much needed and deserved by the children of our community. Our rapidly growing school population will necessitate new and modern facilities on the grade level. Plans are being made by the Board of Education and Administration to meet these needs as soon as possible. The best is not too good for our children.

Raymond N. Baker was born in Ovid Township in 1902. In 1921 he graduated from Ovid High School. He then attended Olivet College where he received his A. B. Degree, and a State Teacher's Certificate. In 1940 he received his Master's Degree from Wayne University. He served as Supervisor of Education in Oakland County for six years. In 1945 he came to Auburn Heights. He now finds himself Superintendent of our beautiful New Avondale High School in which we can see and realize many of his efforts.

ARNOLD OJALA
Assistant Superintendent

Mr. Arnold was born April 4, 1905, in Baltic Mine, Michigan. He received his A.B. at Michigan State Normal College in 1932 and his M.A. from the University of Michigan in 1941. After teaching for several years in rural schools of Houghton County, Michigan, he came to Rochester, Michigan. He then was Principal in Cedar, Michigan from 1932-36. Counselor of Education, N. Y. A. Camp 1936-37; Principal Stiles School 1937-46. Assistant Superintendent, Avondale Schools, Auburn Heights, Michigan 1947.

Mr. Ojala is always willing to assist in any emergency which may arise, no matter how unimportant the matter may be.

ROSCO V. CROWELL
Principal

Rosco V. Crowell was born July 3, 1918 in East Jordan, Michigan. In 1935 he graduated from East Jordan High School, after which he attended Central Michigan College of Education, receiving his B.S. degree in 1939. He then entered the University of Michigan where he received his M.A. in 1948.

My sincere congratulations to the Graduating Class of 1952. May you reach the goals you are striving for, and enjoy the fruits of your efforts.

The Guidance Department is responsible for college admittance, scholarships, testing, assemblies, student activities, and curriculum changes.

This year, it sponsored Career Night to assist students and parents in the selection of colleges and universities at which they might further their training.

In the future, it plans to broaden its program through aiding students in securing part time employment.

CLASS HISTORY

1952

Dear Diary:

Remember back in 1948 when as scared freshmen we were initiated into our first year of high school? Freshman activities started at our first homeroom, when, under the direction of Mr. Hallman and Mrs. King, the following officers were elected: president, Harold Moore; vice-president, Bill Bowman; secretary, Jerry Tom; treasurer, Frances Bohlman; and student council representatives, Helen Ward, Bennie Forbush, Carol Laing, and Don Stephens. Our nominee for queen of the Fall Festival was Carlene Funck. To make our treasury worthy of the name, we operated the Little Store under the guidance of our advisors. During this year blue and white were chosen for our class colors. Our most successful undertaking as freshmen was the production of the musical comedy, "Miss Starlight."

In our sophomore year, under the guidance of Mr. Hallman and Mrs. Price, we elected as officers: president, Jack Ferguson; vice-president, Melka Kerensky; secretary, Jerry Tom; and treasurer, Theira Cooper. Our nominee for the king of the Fall Festival was Bill Bowman; for lady-in-waiting, Theresa Rattie. We took our first step toward being "upper-classmen" when we initiated the freshmen in the fall. The first dance of our high school years was held in the spring with decorations in the Oriental theme.

As juniors, under the supervision of Mrs. Posey and Mrs. Douglas, the following officers were elected: president, Carol Laing; vice-president, Jack Ferguson; secretary, Jerry Tom; and treasurer, Opal Sheehy. Our candidates, Melka Kerensky and Larry Cross, were elected queen and escort of the Fall Festival. Weeks of work were climaxed by our class taking in more money than any other class ever had. Our next activity was the annual Sadie Hawkins Dance. During the first part of our junior year we chose as our class motto: "The elevator to success is not running--take the stairs," and blue and white carnations as our class flowers. At last the long-awaited day came when excited juniors could proudly show off class rings. The highlight of our junior year was the J-Hop, the theme of which was "My Blue Heaven." Under the direction of Miss Fritz, student director, Frances Bohlman, our junior play "A Great Big Doorstep" was a huge success. Seniors were our guests at the Junior-Senior Banquet at the Rotunda Inn. Master-of-ceremonies was Jack Ferguson. In conclusion of the year's activities, we juniors honored the seniors in baccalaureate and commencement exercises.

At last, as high and mighty seniors, we entered our final year of high school under the supervision of Mrs. Posey and Mr. Spencer. Officers elected for this year were: Dan Taliercio, president; Tom Palmer, vice-president; Jerry Tom, secretary; Opal Sheehy, treasurer; and Bob Boner, Margaret Elkins, and Jim Gurd, student council representatives. After the selection of our senior trip, money-making projects were undertaken in earnest. Among these were magazine sales, the sale of Christmas trees, the sale of cup cakes, record dances, and paper drives. High acclaim was given the first play in our new high school, our senior production, "Growing Pains," directed by Mrs. MacCreery, student director Jerry Tom. In May, our senior trip lived up to our highest expectations. The climax of our social activities was the Senior Prom, "Thanks for the Memories." This year we were guests at the Junior-Senior Banquet. During the last week of May caps and gowns were conspicuous on every senior. Baccalaureate and Commencement exercises wrote "finis" to our high school days.

Reminiscingly yours,
The Seniors

Dear Diary:

Conditions in the Big House are going from bad to worse. Guard Fencers caught Dick Sargent, who is up for stealing an apple from the A & P, cutting his toe-nails with a saw smuggled to him by the prison cook, Frances Bohlman, in a birthday cake. Although lawyer Clata Tompkins pleaded his case well, he was sentenced by Warden Crowellinsky to five days in solitary confinement.

Ronnie Dixon, another inmate, is spending fifty years here for falling asleep in his beauty parlor and letting Eddie Campbell cook under the permanent-wave machine. With a slip of the hand, Russell Bowker, the manicurist, cut off Jim Gurd's fingers at the knuckles. While washing Charlie Lewis's hair, Carl Neighbors scalded him, so he too is occupying a cell here.

It's really amazing how many of the Class of '52 have gotten together here at Avontraz. Why just the other day I saw June Schledorn, who was sent up for telling jokes in church. She won't be here long, but while she is it will relieve the monotony. June has told us some of the latest gossip about our pals on the outside: Joanne Arteaga and Virginia Bowden are managing a Lonely Hearts Club. Don Baker and Theira Cooper were two of their first customers and now Don and Theira have gotten together and are busy raising a Baker's dozen. Donna Beacom owns the Red Hot Match Factory; Margaret Elkins glues the heads on the matches; Ethel Keller assembles them in the little boxes; and Delores Pohl drives the delivery truck. Ralph and Robert Kaphengst own a night club in New York City. The star dancing team is Roberta Palmer and Harold Moore. Peggy Nelson is the head bubble dancer. Jack Grusnick's swing band provides the music. Members of the band are: Jim Hulen, flute; LaVonne Crittenden, drums; Lanore Clark, trombone; Marion Hartwig, bassoon; and Ken Paulson, chimes. Chuck Williams, the famous fuller-brush salesman, and Peg Starkey, barker at a three-ring circus, who are now Mr. and Mrs., almost had their marriage broken up by Jerry-the-Great-Lover-Sullivan, but the tough cop, Dan Talliercio, put an end to the brawl and carted Jerry off to the penitentiary.

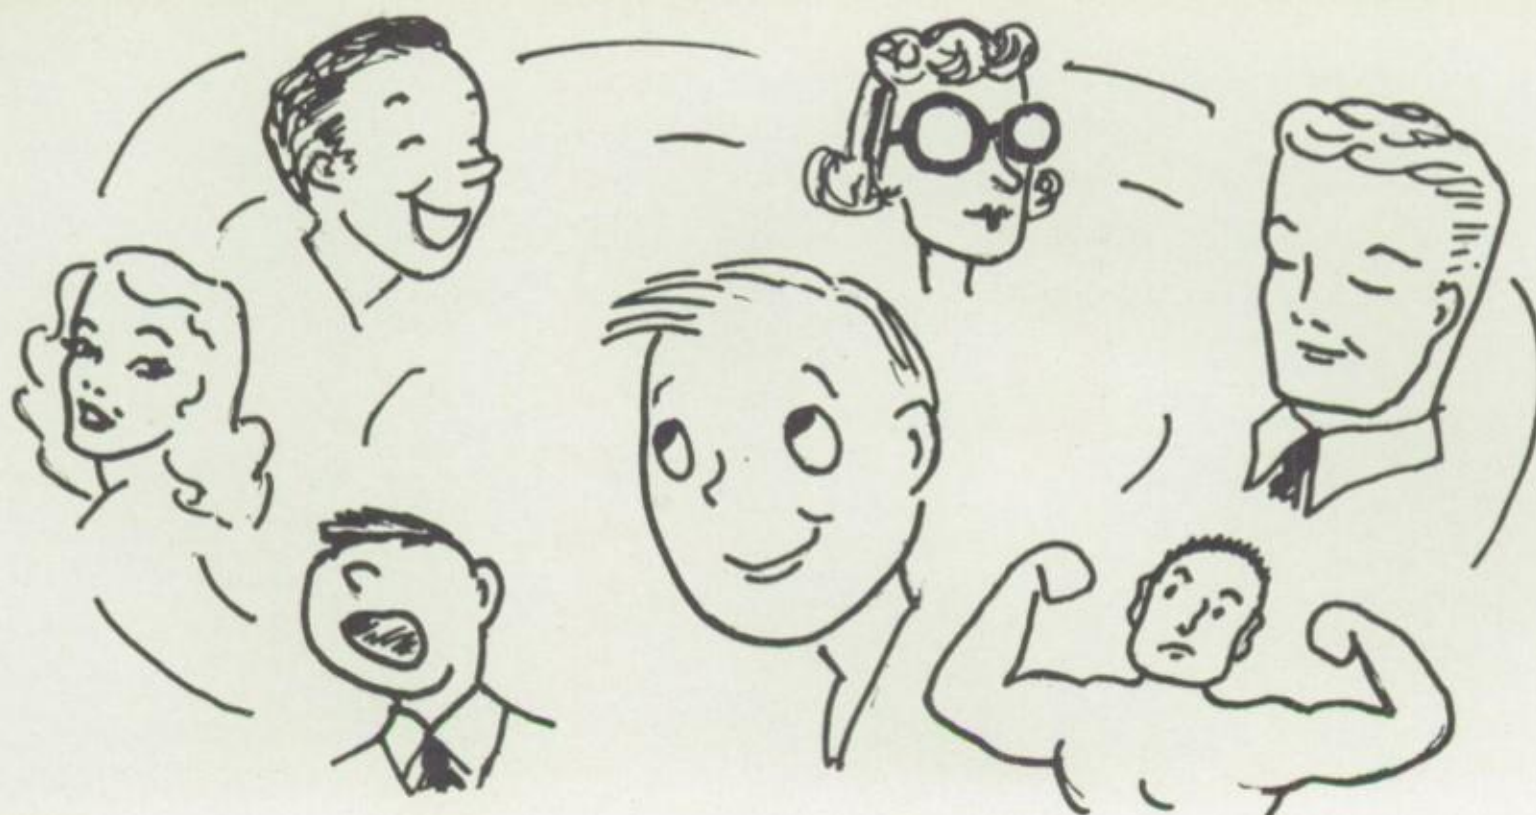

Another new arrival at the penitentiary is Pat Devereaux, who was caught necking in public with door-to-door salesman Pete Seaton who was demonstrating his Non-Smear Lipstick. Pat's first job here at Avontraz was to help Thelma Denton with the dishes. Thelma is chief-cook-and-bottle-washer.

Mrs. Rosey, the official paper boy, just came by with the evening paper. As I opened up the paper, the first headline to catch my eye was, "Melba Kobenski Fails Again!" It seems that Melka Kerensky (stage name Melba Kobenski) attempted to swim the English channel, got two hundred yards from the other side, remembered she forgot her wrist watch, so she swam back after it. Jack Ferguson makes news by living in millionaire row with a harem of twenty. Bennie Forbush has just been the head judge in the Miss America Beauty contest. Much of the news was about Wayne Jaycox, who is running for President against Don Stephens. On the comic page is a cartoon drawn by Marge Skosich about the Model T Ford which has made Ray Yokey famous. Another news item was about Joanne Malone who has broken the world's record by writing three hundred words a minute in shorthand. Lois Pike and Theresa Rattie are now employed by the U. S. Navy. Lois is postmistress and Theresa a censor. Tom Palmer, the noted scientist, has invented a three-wheeled jeep which will go forty-five miles per hour! These jeeps are now manufactured in mass production in Ken Goltry's novelty factory. In the Lost and Found column I read: "Lost: One of Opal Sheehy's twenty-four children while on march to Bev LaForge and Pat Cannon's nursery. Reading the society page, I learned that Ida Seeger is in Hawaii trying to learn the hula hula. On the sports page I read that Jerry Sigler is coaching a basketball team of seven-footers. Carol Laing is his star center and Ella Jean Taylor is water-boy. Glancing through the ads I saw that Kathryn Kramp was urging everyone to come and learn her special roller skating technique. Bob Boner is advertising drastically reduced prices for his services as an undertaker.

As I laid aside the paper, I peered between the bars and much to my surprise I saw the electric chair operator, Mr. Thaker, marching Helen Ward to the dungeon. She was guilty of setting off her fire crackers two days before the Fourth of July!

Now it is 7:30--time for lights out, and another long sleepless night of lying here regretting my terrible crime of wearing jeans to baccalaureate for which I have been sentenced to life imprisonment in Avontraz Penitentiary.

Repentantly yours,
Jerry Tom

Dear Diary:

Do you remember:

Singing "I've Been Working on the Railroad" at Freshman Initiation.
Calling the chorus in off the tennis court for rehearsals of "Miss Starlight."

How old we felt when we initiated the freshmen.

The dill pickles we always took on hayrides.

Everyone's buying a ticket to our first dance--the Spring Frolic.

All our picnics at Cass Lake.

The cry of "Finger.!" when we were tying up our papers.

How excited we all were the night Melka was elected Queen.

Sewing clouds for the J-Hop.

How long it seemed before our class rings finally came.

Riding around in The Jeep all hours of day and night.

All the "incriminating" pictures we took at parties.

Going swimming at night after play practice.

How "funny" it seemed to be a Senior at last.

The serenades by the workmen during the first few weeks in the new school.

The thrill of the first basketball game in our very own gym.

How we lived at school during rehearsals of "Growing Pains."

"Gee, you're ignorant, you dumb ninny!" and "Mamma told me to go sit in the powder room if I wasn't popular."

Thinking that the annual would never be finished.

Don't ever forget all these and the many other good times we have had and all our good friends!!!

Dear Diary,

We the class of '53 met for the first time with 118 students present. Our advisors were Miss Haley and Mr. Harkins. Class officers elected were: Bill Graham, president; Jerry Vogler, vice-president; Juanita Holmes, secretary; Pauline Spurlock, treasurer. Joann Richie and Barry Adkins were elected candidates for queen and escort for the Fall Festival. As ninth-graders we produced three one-act plays: "The Prettiest Girl in Town," "The White Phantom," and "Pest Guest".

As sophomores, under the direction of Mr. Bruno, Mr. Sells, and Mr. Kalinowski, we elected the following officers: Jerry Vogler, president; Bill Vancil, vice-president; Pamela Penrod, secretary; and Vernice Schwerin, treasurer. The candidates chosen for king and queen of the Fall Festival were Wanda Hoffman and Louis Fournier. The main event of this year was the annual sophomore "Spring Frolic".

The class officers we elected in our junior year were: Jack Gentges, president; Bill Vancil, vice-president; Vernice Schwerin secretary; Norma Zuehlk, treasurer; Norma Isanhart and Bill Graham, student council members. Two-hundred-fifty booster buttons were sold to increase our treasury this year. The Sadie Hawkins Dance also was a profitable success. The secret theme for our J-Hop, the first formal dance held in the new gym, was "Blue Hawaii". The junior play, produced in the spring, was a huge success. As our final junior activity the Class of '53 honored the Class of '52 at the annual Junior-Senior Banquet.

Dear Diary,

Well, here we are sophomores with all the memories of our freshman year (especially initiation). Class officers for our freshman year were: president, Dick Kramp; vice-president, Bonita Goodell; secretary, Jewell Fall; treasurer, Mary Parker. Pat Taliercio and Earl Harvey were our queen and king candidates.

For our sophomore officers we elected: Dick Kramp, president; Dick Craun, vice-president; Catherine Camp, secretary; Carol Davis, treasurer; and Mary Parker and Lois Crittenden, student council members. The traditional sophomore "Spring Frolic" was a huge success. Shampoo sold throughout the year was our main money-maker.

P. S. Now we're looking forward to our junior year!

Dear Diary,

September - June, 1951

How privileged, we the freshman class were to be the first class to begin our four years at Avondale High. Our class consisted of one hundred and twenty-three pupils from the grade schools of Stone, Stiles, Elmwood and Auburn Heights.

Because of such a large group, we were separated into three homerooms. Our advisors, whom we will never forget, were Mr. Bruno, Mrs. Douglas, Mr. Henline, Mr. Kalinowski, Miss Krueger, and Mr. Schaer.

We will never forget Initiation, which followed a short time after the beginning of school. Wasn't it fun dressing up and learning our prayers! Always we will keep in mind the parties we had together at Hallowe'en and Christmas, and those roller skating parties also. What a success our "Shamrock Swing" was, our first undertaking in high school.

Now, we are all anxiously awaiting to start our next school year as Sophomores.

"Greenishly" Yours,
Rhea McCaslin

Dear Diary

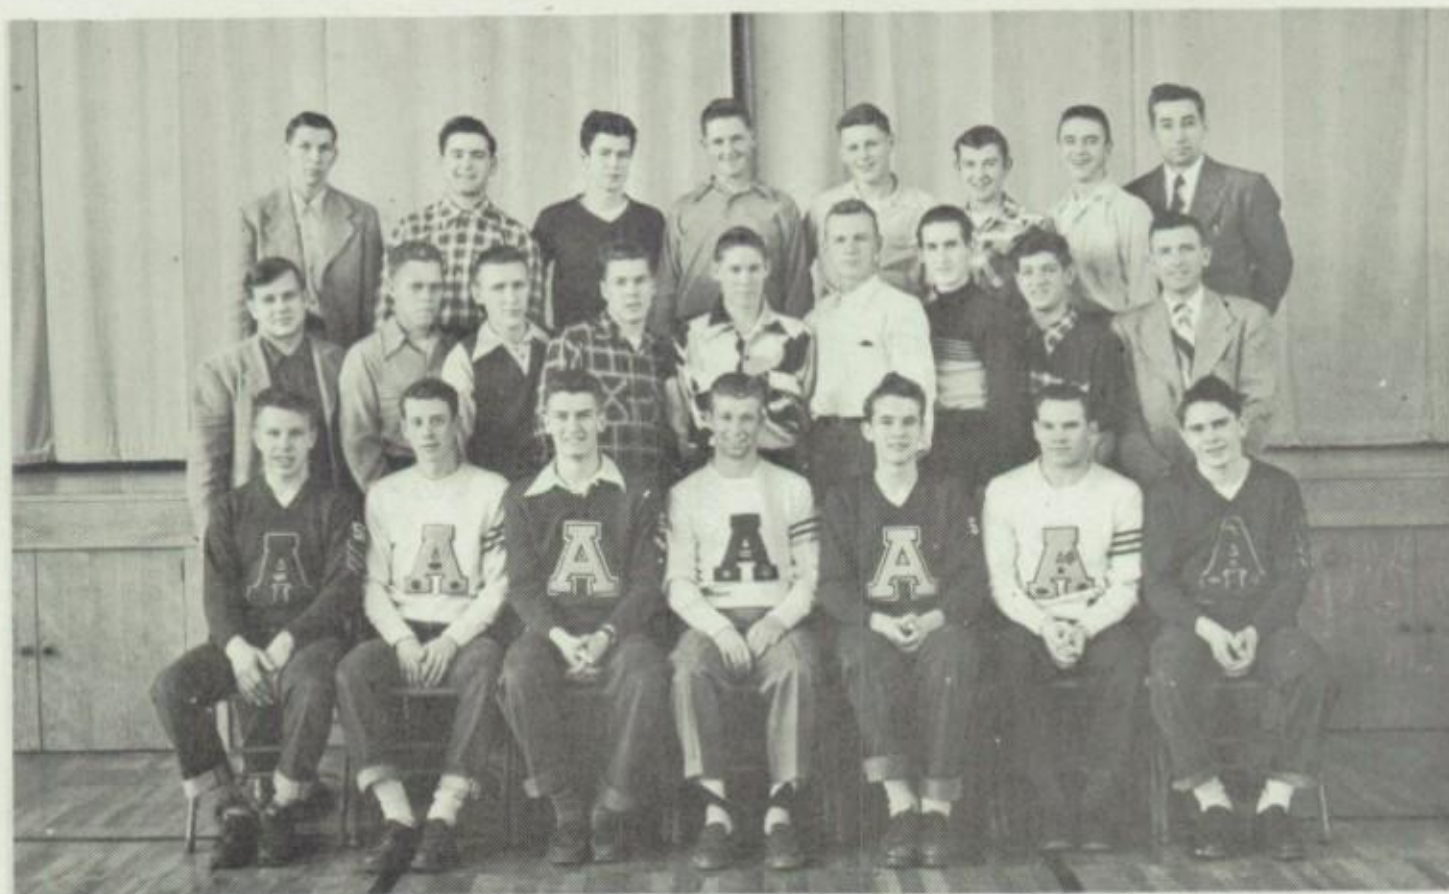

The F. H. A. girls have had a busy year with different parties, social meetings and business meetings. In September we had a hot dog roast and our annual Kick-Off Dance. October brought business meetings and a special Halloween party. There were two business meetings in November and we packed a Christmas box in December. 1952 started out with a business meeting and making of plans for our February dance. February was our big dance, Cupids Bounce. March highlights were (two) business meetings and a trip to Lansing to the convention. The new officers were elected in April and were installed in May. The year was ended when we sent our delegates to camp in Battle Creek.

Kathryn Kramp represents the Avondale Chapter as State Secretary and Connie Briggs is Regional President. Mrs. Briggs is our wonderful chapter mother. Our club could not function right without the careful guidance of Mrs. Swartz, who was made an honorary member last year because of her interest in the club and its success.

The officers of our club for this year have done a wonderful job and they have worked hard to make our club a success. Our officers are President: Theresa Rattie, Vice President: Juanita Holmes. Secretary: Marilyn Hart. Treasurer: Bernadette Zywicki, Parliamentarian: Connie Ellie, Historian: Ann Russell, and Pep Leader: Connie Briggs.

Yours for the Future,
Theresa Rattie

The club has sponsored several activities including record dances, candy sales at basketball games, and The Spring Festival. Some of the club members were also seen riding the donkey's in our donkey basketball game, which was under the auspices of "A" Club. The proceeds of these events are going into a fund for lights on our athletic field.

New members were initiated into the club last fall, which is one of the club's social events.

Avondale - 0 Utica - 28

Avondale opened it's season under the lights at Utica in a non-league game. Utica had a big and powerful team and scored in each quarter. They were also successful in making all the conversions.

Avondale - 0 Lake Orion - 13

Two teams that were evenly matched gave a good performance in a scoreless first half. During the second half Orion scored twice and made one conversion.

Avondale - 0 Troy - 13

Troy took the kick off and marched to Avondale's 40 where they scored on a long pass. They also scored in the third quarter on a 20 yard end run to make the final score 13-0 Troy.

Avondale's first victory on their new field was given them by Clawson. A game that saw Clawson score first on a punt return. In the second quarter things changed when Paul Hoehn intercepted a Clawson pass and ran 65 yards down the sidelines with Ben Forbush kicking the point. Avondale scored once more in the second quarter making the final touch down.

Avondale - 6 Roseville - 18

In this game the Avondale Jackets gave the highly rated Roseville squad a good scare. Roseville scored twice in the first half coming into the second half with a 12-0 lead. A fired up Avondale squad came into the second half and scored in the

third quarter. Roseville scored once more on a long pass by their all-state quarterback.

Avondale 14 Fitzgerald 20

One of the best games of the season and a real thriller, starting out with Fitzgerald scoring the first time they had the ball, making the score 7-0. Another quick tally made the score 13-0 before Avondale came to life. Before the half ended the Jackets scored on a pass from Graham to Sargent who ran for the tally. Seconds before the third quarter ended Avondale took the lead with another pass. In the fourth quarter Fitzgerald ran over another tally winning the game 20-14.

Avondale 0 Madison 7

Later this was found to be the last game of the year as the Imlay City game was snowed out. It was a scoreless game for Avondale as they were penalized frequently. Madison scored the only touch down in the last minutes on a pass interception and made the extra point. Final score 7-0.

With this experience and the guidance of Coach Richard Huck, the members of the "B" team should be able to fortify the Avondale Varsity next year. Some of the boys have the ability to reach new heights in the field of athletics for themselves and Avondale

Dear Diary,

Closing the season strong, Avondale had a most decisive victory against Lake Orion in the tournaments at Pontiac High School. Then in the next game Avondale was out scored by a tall Rochester five.

The team will loose five seniors this year including our diminutive captain Jerry Sigler, guards Dick Sargent and Jack Ferguson, and forwards Jim Hulen and Ben Forbush.

Due to the lack of height the team was not able to compile an outstanding record although they seemed to play best against the league leaders. The captain Jerry Sigler led in points with 175 followed by Holland 111, Ferguson 77, Spencer 58, Graham 45, Hulen 25, Forbush 18, Vancil 16, Sargent 8, Hoehn 8, and Mora 2.

Here's best wishes to coach Huck and a winning team for next year.

Bouncingly yours,
Jack Ferguson

Dear Diary:

This year the reserve basketball team has been taught invaluable experience on the basketball court. Although their record was not excellent they performed as a good team. They are learning fast and will undoubtedly have winning seasons in the future.

Two members of the team that should do well are captain Dick Kramp with 87 points and Al Hill center who was an ace rebound man.

With Mr. Kish doing the same fine job of coaching the reserves that are coming up should make the teams of the future very promising.

Yours for more baskets.

Dear Diary,

The 1951 season of baseball was one to be remembered in the school of Avondale. We won most of the games played but lost some also. The game never to be forgotten was the one with Troy on May 17, 1951. Bob Uhan was hit in the throat and knocked out. Ronnie Walters was hit in the eye by a bounding ball and had three stitches in his eye. Bob Caskey went to the hospital with a broken cheek bone. Here are the scores of the year '51.

1st Row: Harold Ambrose, Ben Forbush, Tex Thor, Bill Graham, and Gerland Spangler.

Dear Diary,

Track is definitely and "up and coming" sport at this school. It was not considered as being on the same level as the other major sports, (football, baseball, and basketball) for the last few years, but it is definitely becoming more important every year.

Last year the track team, under the coaching of Mr. Ed Kalinowski, Avondale placed fourth in the league meet, which incidently was won by Roseville.

In order to earn a letter in track, a person had to win either a first, a second, or a third in a meet. There were only four boys to win a letter last year. They are: Bill Graham, Walt Spencer, Bill Vancil, and Ben Forbush.

So to coach Mr. Dick Huck and the track team of 1952 we wish them a winning season.

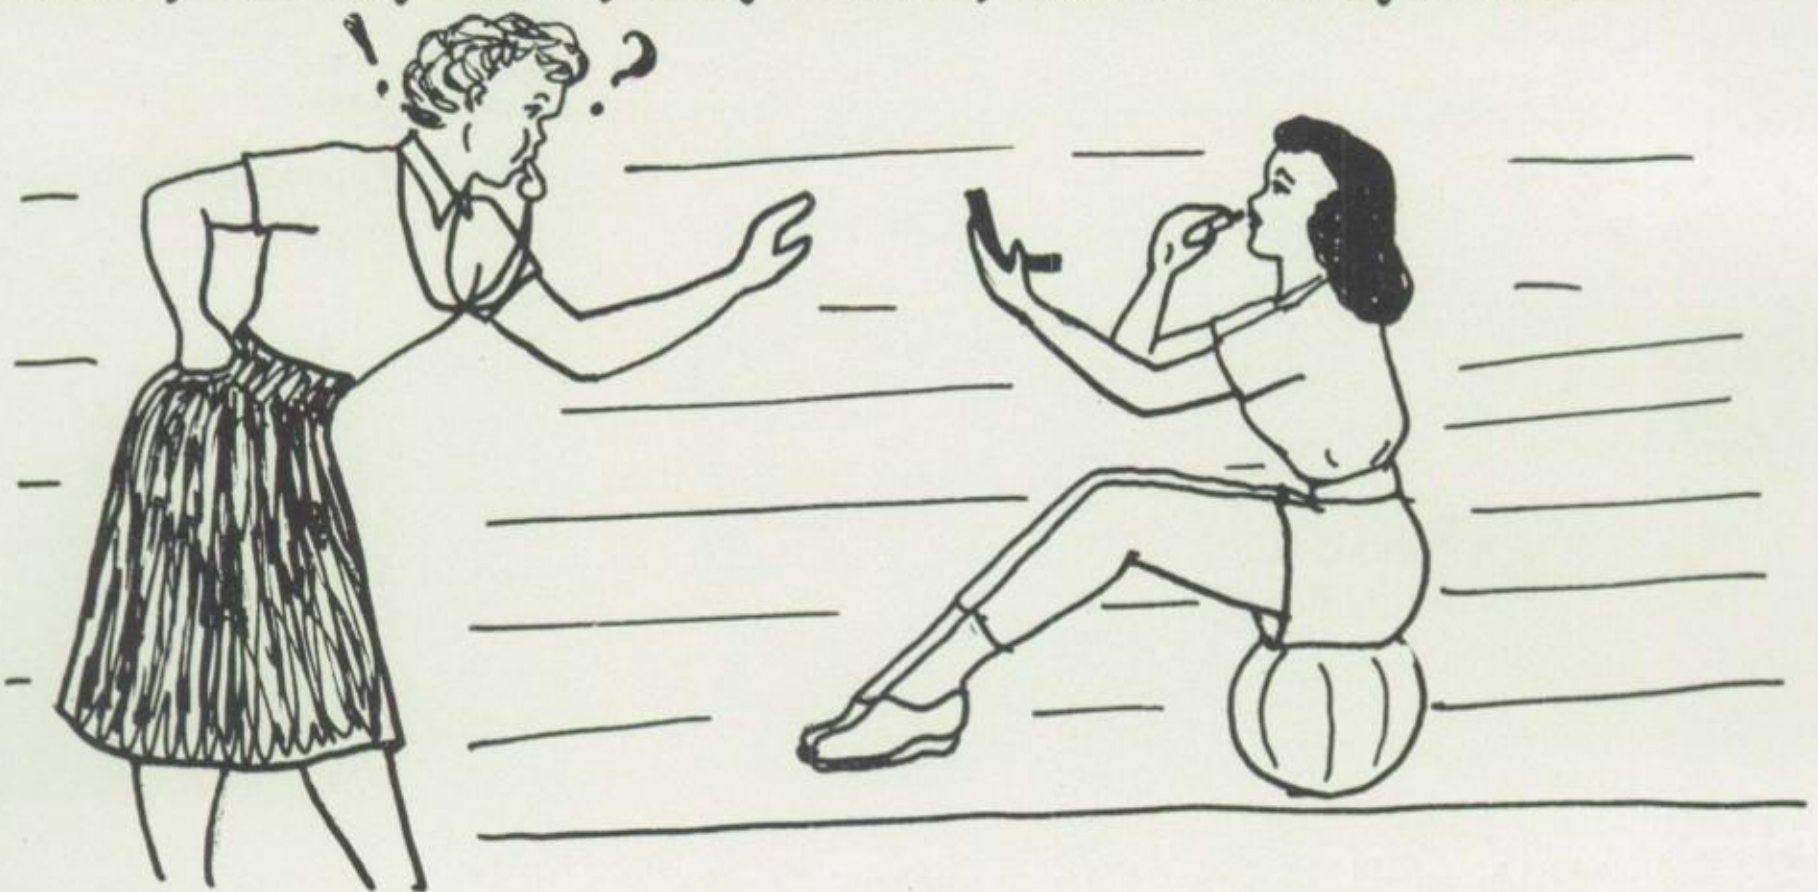

Speedily yours,
Ben Forbush

1st Row: Arlene Cassady, June Baer, Helen Wiedman, Martha Van-Kueren, Shirley White, Mary Parker, and Bernie Zywicki.

Dear Diary,

One of the new additions to Avondale is the first girls basketball team. Fourteen players were chosen from a group of about forty. Six players make-up a team. Three guards and three forewards. Miss Maryann Dinkel is the coach, and Shirley White, Bernie Zywicki, Mary Parker, Carol Davis, Connie Briggs, Martha VanKueren, Helen Wiedman, Bonita Goodell, Arlene Cassady, Betty Sheehy, Theira Cooper, Donna James, June Baer, and Peggy Hoover make up the team.

These girls played three games this season, two with Troy and one with Utica. They lost two out of three. Here's hoping that they will improve and climb to the top next year.

Dribbling yours,
Theira Cooper

BAND

Dear Diary:

I can't help remembering the sore feet we had from drilling and practicing our routines for the football games. This year our formations were better than ever before as we had more members to carry out the plans of our able director Mr. W. B. Henline.

Remember the hours of strenuous rehearsing, through sweet notes and sour, in major or minors, in sharps and flats, occasionally pianissimo, usually fortissimo. But remember the pleasant surprise when at our Christmas concert it all came out and sounded like music.

Remember all the parades we marched in--rain, sleet, snow or sunshine. We were reluctant then but it was an experience we shall never forget.

Rhythmically yours,
Harold Moore

Dear Diary,

The Glee Club, consisting of the Girls' Glee Club and the Mixed Chorus, is bigger than ever before. The addition of approximately 25 male voices has completed the quality of the harmony.

This year's annual Christmas concert was the first musical performance held in the gymnasium. Under the direction of William B. Henline, the concert was heralded as a success.

In the late spring the Glee Club attended the Music Festival held each year at East Lansing, Michigan.

A number of P.T.A. concerts and the Spring Concert helped to complete a successful year.

Musically yours,
 Frances Bohlman
